# Autocross Event Details

## Saturday, June 9, 2018

These events are sanctioned by the National Council of Corvette Clubs, Inc. (NCCC). Autocross classifications are as outlined in NCCC guideline. For members of NCCC, the sanction numbers are WC-518-003 and WC-518-004. Non-NCCC members and all makes of cars and trucks are welcome to participate. All non-NCCC member participants will be placed in one of the following four groups. A and B Men's and A and B Women's. Open A are vehicles that utilize Uniform Tire Quality Grade (UTQG) treadwear rating 200 or less. Open B is rating 201 or greater. Non-NCCC Corvettes that meet the safety and classification requirement of a NCCC class may participate in that class for trophies but they will not be awarded points, nor affect member's points.

Registration is accepted online only at [motorsportreg.com](http://motorsportreg.com). There will be no registration the day of the event. If two participants are driving the same car, both must register as separate drivers. Participants must be 18 years old. Registrants will receive an email registration confirmation with car number. Please be sure your email address is correct on your online registration.

SNELL approved "SA" or "M" helmets less than 10 years old are required. Drivers must wear securely fitting shoes with closed toes. Entrants will be divided into groups for both the morning and afternoon events. Unless physically unable, all participants will be asked to volunteer as course safety workers.

Santa Maria Airport is a TSA controlled facility with strictly enforced security. Vapor Trail Vettes must conduct this event accordingly. Participants must enter and leave via one secure gate monitored by a TSA guard. The gate will open at 7:00 am and will be closed at 8:00 am and unmanned until the event's conclusion. We strongly urge you to arrive no later than 8:00am. No one will be allowed to enter after 8:00 am. All participants must sign an event waiver and workers will be issued a wrist band that must be worn at all times within the TSA boundaries. Drivers will be issued a wrist band when checking in at the autocross trailer. Once you enter the TSA controlled zone, you must leave through the secured gate only once. One entry and one exit only. Ensure you have everything you need for the day including enough fuel for all runs. All entrants must be a driver or a volunteer event worker. Sorry, TSA regulations do not allow this to be a spectator event.
